

Blueprint for a Safety and Health Management System

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about liability and workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

Macomb Community College and the State of Michigan have formed an alliance to jointly reach out, educate and assist the state's employers and employee's to improve and advance workplace safety and health. The MIOSHA Training Institute is establishing a specific core curriculum, along with individual courses on a variety of safety and health topics. MIOSHA personnel, Macomb's Workforce Development Institute at M-TEC and the Public Service Institute at Macomb's Emergency Services Training Center will administer the MIOSHA Training.

3 What You'll Learn . . .

The attendees will learn that a direct relationship exists between effective management and lower workplace injury and illness rates. This class uses continuous improvement tools and methodology to effect increased worker protection, lower costs, enhanced productivity and improved employee morale. Attendees will learn that a high level of employee involvement leads to continuous improvement of the Safety and Health Management System. When effort and accountability are focused proactively, costly reactive activities can be eliminated.
